

Certificate

Certificate No.: 1-2098-01-02/10

Certificate Holder: AXITEC GmbH
Otto-Lilienthal-Strasse 5
71034 Böblingen
Germany

Manufacturing Plant: ID: 5690

Product Description: Polycrystalline silicon terrestrial photovoltaic modules

Type: AC-xxxP/156-60S
(xxx = 212 – 236 in 6 W steps)

AC-xxxP/156-54S
(xxx = 200 – 220 in 5 W steps)

Basis:

- | | |
|---|--|
| <input checked="" type="checkbox"/> IEC 61215:2005
EN 61215:2005 | <input type="checkbox"/> Periodic Inspection |
| <input checked="" type="checkbox"/> IEC 61730:2004
EN 61730:2007 | <input type="checkbox"/> Qualified, IEC / EN 61215 |
| <input checked="" type="checkbox"/> Factory Inspection | <input type="checkbox"/> Safety tested, IEC / EN 61730 |
- Periodic factory inspection documents a consistent quality of the product

- The mechanical load test of IEC / EN 61215 was performed with a load of 5400Pa for modules with dimension [mm] 1501x990x38.
- The fire test (IEC 61730-2 / MST23) was not performed.
- The product test is voluntary according to technical regulations. Any changes of design, components, material or processing may require the repetition of some of the qualification tests in order to retain type certification.

Certificate Validity: 2 years counting from the day of issue

Certification Body:

Dipl.-Ing. Uwe Kartmann

Dipl.-Ing. Gerald Schmidt

Saarbrücken, 2010-03-10
